Subject: E courses

Hi Sharon,

I completed an e course back in July 2011 and I wanted to sign up for some more courses but I can't find the supervisor approval forms that I had to complete. There is some other of my co-workers that are also interested and I wanted to find out about the tuition waived situation that I fell under if that is still available and if so is that funded by a grant from the Dept. of Justice? Also when I tried to log in to register the site wasn't recognizing my sign in info so not sure you can help me out with that as well.

Thanks,
Nicole E. Medina
